## **I. About St Anne's College**

Founded in 1879, St Anne's College is one of the constituent colleges of the University of Oxford in England. Formerly a women's college, it has been coeducational since 1979. Formed to enable women from any financial background to study at Oxford, St Anne's continues to strive towards this goal. The college has around 450 undergraduate and 200 graduate students.

## **II. About the Study Abroad Programme**

As a registered Visiting Student, you become a member of the Oxford college. The college will provide a transcript for credit purposes at the home institution. If necessary, the University would be able to confirm that you were listed on the Register as a Visiting Student.

## VI. Course

Like an Oxford's full-degree course undergraduates, most Visiting Students will study one subject at their time at St Anne's. Depth of study is a particular strength of the Oxford system, so Oxford encourages students to focus on one subject in most instances. However, if you are interested in studying two subjects during your time here at St Anne's or in studying a course that is not listed below, please email [partnerships@maxer.co.uk](mailto:partnerships@maxer.co.uk) for advice, prior to completing your application form.

### Humanities

- Classical Archaeology and Ancient History
- Classics

## VIII. Visa Information

Your visa requirements will vary according to your country of citizenship.

Depending on how long you will study at Northumbria you may require one of two documents a Tier 4 if you are studying for the full year the team will produce a CAS letter for you. If however, you will study for one semester only then you can request a confirmation letter to help support your application for a Short Term Study Visa.

### - One semester only

Please read the Home Office guide on other documents to include in your application. For more details of the short-term study visa, please visit the following website:  
<https://www.gov.uk/study-visit-visa>.

Please note that in accordance with the conditions of the permission granted under short-term study, you will be required to leave the UK within 30 days of the end of the course or at the end of 6 months, whichever is earliest.

### - Full year study (more than 6 months)

If you are attending the programme for the full academic year, you will need to apply for a Tier 4 student visa. Students must apply for this visa, and obtain their entry permit, prior to travelling to the UK.

If you require information about applying for a visa, please check:
